

International Center for Clubhouse Development

June 2, 2011

Dear Clubhouse Colleagues from Clubhouse Habataki, Clubhouse Yuusen, JHC Sun Marina, Peer Station Yu and Stride Clubhouse,

Congratulations on the formal establishment of the Japan Clubhouse Coalition (JCC) and your first organization meeting occurring on June 4th!

We send our good wishes for the ongoing growth and development of the Japan Clubhouse Coalition and look forward to working closely with you in areas such as certification, training, employment, research, board and ongoing new Clubhouse development.

Should the JCC wish to seek formal recognition of your Coalition in the next Worldwide Clubhouse Directory, please submit a letter to us with a short description of written commitment to coalition membership criteria that includes:

1. Comprehensive Clubhouse Training at a certified ICCD Training base for each member Clubhouse's Director, key members and staff;
2. To work to achieve the International Standards for Clubhouse Programs;
3. Timely ICCD Certification (usually within two years of joining the coalition);
4. To nurture new Clubhouse development in the coalition's region

We know that your Clubhouses are making good progress in many of the areas listed above. We look forward to ongoing collaboration and partnership with you to provide each and every member of the Japan Clubhouses with an array of opportunities to help them achieve their individual aspirations and goals.

Congratulations again on this important historic achievement.

Kind regards,

Joel D. Corcoran
Executive Director
